8. (Confidential - GLC) Made arrangements with [REDACTED] 25X1A
Security, for a technical sweep, monitoring, and the presence of a security
officer for Mr. Colby's testimony before the Commission on the Organization
of the Government for the Conduct of Foreign Policy next Monday. Security
will also monitor the processing of the transcript by the [REDACTED]
Company.

STATOTHR

9. (Unclassified - LLM) Dave Dorsen, Senator Ervin's Watergate
Committee, called and requested for the Committee a copy of the Director's
6 November 1973 memorandum to Senator Stuart Symington, Acting Chairman,
Senate Armed Services Committee, on the 28 June 1972 memorandum by
Mr. Helms. If there is any problem in further distribution of the letter
to Symington, Dorsen suggested a letter of the same substance be addressed
to the Committee. Dorsen said Senator Howard H. Baker (R., Tenn.) would
be an interested reader.
